Year 1: Outside 1H classroom

Year 3/4/5/6: Black gates next to swimming pool

Bag2School is the UK's leading textile recycler and fundraiser working with schools and since its inception in 2001 it has now paid out over £36 million. As well as raising vitally needed funds for your school, it also helps the environment by helping to divert unwanted textiles away from landfill. A recent DEFRA report has shown that textile collection schemes are helping to reduce the volume of textiles discarded as municipal solid waste. However, it is a fact that as a nation we still send 350,000 tonnes of textiles to landfill every year. So as well as raising funds for the school it will also raise awareness amongst the children of the benefits of recycling and reuse. For further info visit www.bag2school.com

Date for your Diary - Our next bag2school collection will be on Friday 27th October 2023
