Pupil Premium 2025-2026

Dear parents/carers,

I would like to take this opportunity to introduce myself, especially if you are new to school or Pupil Premium. My name is Mrs Orton, I am a senior leader and year six teacher. As part of my leadership role I oversee the use of Pupil Premium funding for Kirby Muxloe Primary School. Our records show that your child meets the criteria for pupil premium funding that comes to the school. This generally includes being eligible for Free School Meals at any point since May 2015, those who are classed as 'looked after' or 'previously looked after' by the Local Authority as well as other factors including being the child of armed forces personnel.

The government describes "Pupil Premium" as funding allocated to improve education outcomes for disadvantaged pupils in schools in England. Evidence shows that disadvantaged children generally face additional challenges in reaching their potential at school and often do not perform as well as other pupils.

I am therefore writing to share our Pupil Premium plans for this academic year.

As a school, we are expected to spend our Pupil Premium funding in a way that we feel will best support the individuals here at Kirby Muxloe Primary School. This incorporates both academic attainment and opportunities beyond the classroom in order to raise levels of progress and support children in fulfilling future aspirations.

Although we do not allocate such spending on an individual basis, all children receive a core offer during their time at KMPS. This includes additional classroom support where they are behind their peers, funding for swimming (Y1 - Y4), internal clubs provided by the school and £30 towards educational school trips and the residential trips in Year 4 and Year 6, being mostly funded by the school.

Periodically it is important that we review the effectiveness of our spending strategy to ensure it has the greatest impact and outcomes for our students. As we move into a new academic year, we will not be continuing with our 'iPad Loaning Scheme' in the same way. We have reviewed the usage at home and, as a school, moved to paper homework as an option too. If you feel this change will be detrimental to your child's ability to access learning at home then please do not hesitate to contact me and we will discuss potential options with you.

As always, thank you for your ongoing support. If you wish to discuss anything further, please do not hesitate to contact me. I am passionate about working closely with families and will be happy to answer any questions you may have.

Kind regards,

Mrs Danielle Orton
