28th August 2025

Hello Year 3 Parents and Carers,

Firstly can we say welcome to Year 3 and how much we are enjoying getting to know you and your children so that we can work together this year. They've made a super start!

Secondly, we just wanted to mention that your child may well have brought home a zipped wallet with a reading book in and a little reading record book where any reading recorded as

being done at home  is worth 10 House Points for each day that reading has been logged. These reading packs need to be brought in every **Monday** so that we can change the reading books weekly and award house points for any reading logged that week. Once we have Seesaw set up, reading can also be uploaded here and will receive house points for every bit of reading that is shown.

Some children may also have a Junior Leadership Form where if they would like to be part of the class vote for this role they need to fill it in and rehearse reading it ready to do so in front of the whole class in the coming weeks. Date will follow.

Finally we just wanted to mention that a sheet looking like the image below will be heading home to you in the next few weeks for you to talk through and fill in with your child. We would really like to ascertain what they would like to get out of this coming school year and what you want for them in Year 3, so that we can help them to achieve the things that are important to them and you, maximising their potential.

Kind Regards,

Year 3 Team
