Friday 13th February

Dear Parents and Carers,

## **Our Learning Journeys.**

The children have been absolutely brilliant in our most recent learning journey 'Little Inventors'. Their imagination and creativity has really blossomed and we have finished the learning journey this week by creating 'Yucky Sandwiches' which they will be bringing home with them today, enjoy!

Our next learning journey, after our Alice in Wonderland week, is 'Dinosaurs'. We will be learning about herbivores and carnivores, digging up fossils and writing facts. We are very excited.

## **Bits from Home**

We absolutely loved seeing your 'Show and Tell' on Tapestry and the children loved telling their friends about their exciting news. Please remember that children should not be bringing in toys from home as these may get lost or broken.

## **Dates for the Diary**

Monday 23rd February - Alice in Wonderland Week

Thursday 5th March - World Book Day - no fancy dress.

Thursday 12th March - Stay and Read

Monday 23rd March - Stay and Read

## **PE and Spare Clothing**

PE is on a **Monday and Friday**. Please remember that on a Monday they bring their kits with them to change but on a **Friday they need to come in their kit**. This needs to be the kit that is listed in the uniform policy. Please do not send your child in coloured hoodies or non-house coloured tops e.g patterned or football tops.

You can view our most recent letters and any communications on the website. If you have any queries in the meantime, please contact either myself or the school office.

Have a lovely half term,

Yours Sincerely,

Mrs Laura Button  
Foundation Stage Leader

Headteacher: Mr Elliot Howles  
Deputy Headteacher: Mr Nicholas Holt
