Dear Parents and Carers,

Bikeability Training Year 5

We are pleased to inform you that we have arranged for our Year 5 pupils to take part in Bikeability training. There is no cost for this course.

The children will be split into groups - two groups will complete the training in Week One (27th April 2026) and two further groups during Week Two (15th June 2026). We will notify you which week your child will be taking part in once we have finalised numbers with the Bikeability team.

The Level 1 training and bike checks will take place in school on the first day of each week. Those who successfully complete Level 1 will continue to Level 2 which is on-road training. The training will continue with one session of 90 minutes for another three days. All participants will be rewarded with a certificate to celebrate their efforts during the week.

Pupils must be able to ride a bike, wear a suitably fitted cycle helmet and possess a roadworthy bike (correct size, brakes and tyres). Please see 'Check Bikes' information when completing the consent from the Bikeability scheme. A bike lock is required to secure the bike while it is on school property. Under no circumstances are bikes to be left at school overnight.

A Bikeability consent must be completed and submitted via the link/QR code below no later than Friday 27th March - we are unable to accept any consents after this date.

Kind regards,
The Year 5 Team.

Bikeability Consent
