KMPS Sports Day 2026

Date: Wednesday 20th May 2026

Time: Years 3, 4, 5 & 6 - 9:30 – 11:45am

Time: Years R, 1 & 2 – 1:20 – 2.45pm

Where: Kirby Muxloe Primary School Field

Dear Parents/Carers,

We are really excited to be able to welcome you to Sports Day on Wednesday! We are keeping fingers crossed for favourable weather!

Just a reminder about the format of the day.

For Years 3 to 6, Sports Day will take place in the morning. For Years R, 1 and 2, sports day will take place in the afternoon. There will be 7 activities running on a circuit. Two teams will take part in each event at the same time. At the end of the day, all children will gather on the field to announce the winning house for the day. A map of the events is attached. Each child will complete one of the two circuits of activities.

- Parents and carers wishing to attend should arrive at 9.30am to watch the morning events and 1.20pm for the afternoon events.
- Entry will be through the black gates at the end of the car park near the swimming pool. We would ask that you arrive as close to these times as possible to avoid congestion building up in the car park.
- **Please note that we are unable to offer toilet facilities to visitors on the day.**
- Visitors should be mindful of where they stand. Please feel free to watch the events and cheer your children on but please take care not to block running routes or cross over them. Standing clear to the side is best. There will be a competitive race after the KS2 event in the morning so we ask that parents clear the track area promptly at the end of the main circuit of events. (The track will run between yellow box 3 and yellow box 6 on the map below)
- On the day, **children should come to school in their correct PE kit including house coloured T-shirt and suitable footwear.**
- On the day your children must bring a named water bottle to take around with them. They may also wish to pack a jumper just in case the sun is not shining and a sun hat in case the weather is warm.
- Children will be responsible for their own inhalers and these must go round with your child, however there are always members of staff around to support.
- **Our wonderful PFA will be providing refreshments on the day. We would ask visitors not to bring any food or drink for children to the events.**
- Photographs of your child are permitted but we would ask that any that include other children are not shared on social media.
- Lunchtime will run as usual and at the end of the day, children will be dismissed by their teachers as normal. Visitors are asked to then go to their pick up place to collect their children.
- **Please also note that smoking/vaping is not permitted on site.**

We look forward to seeing you on Wednesday!

Mr Rowley
