Dear parents and carers of children in Year 6,

Where is the time going? We are so unbelievably proud of all of the children and the work and effort that went into SATs week. They were fantastic! The results will come out with their reports at the end of the year.

We are very excited to begin work on our show - School of Pop. We will be announcing the casting decisions on Friday this week. We have spoken to the children about the process and encouraged them to come and talk to us if they feel unhappy or disappointed. During the 'Graduation', there will also be opportunities to read aloud and sing solos; we always strive to ensure all children get the part and recognition that they feel would ensure a truly positive end to their time at KMPS.

Enterprise Week is also on the horizon. Your children are now in teams and working through their ideas and plans for the week. We will be selling on the week beginning Monday 15th June 2026 at break and after school. Please let us know if your child is unable able to participate in the after school slot - we are usually finished by 3:30pm. Each team will receive a £10 'loan' from the school - which they will pay back from their profit. The overall profit will then fund the 'End of Year Celebration' which the children will choose.

Amongst this, we are also continuing the 'Transition Process' and working closely with the High Schools to share all information. This ensures a smooth and positive experience for all of our students.

Please do speak to us if you have any questions. As always, we are very grateful for all of the support that comes from home - we hope that the Enterprise preparations do not bring any extra stress!

Thank you again for all of your support.

The Year 6 Team
