Wednesday 2nd September

Dear Parents and Carers,

Settling In

Thank you for your support with settling the children in this morning. We are absolutely amazed with how well the children came in to school and we had such a lovely morning with them all. Please know that if we had any concerns, we would let you know. However, if you have anything you would like to chat to us about, please either contact us via the school office or quick questions can be asked at the beginning of a school day.

Bookbags and Snacks

All children require a book bag for school that needs to be in with them every day. They do **not** need another bag on a daily basis. We ask that you do **not** send a backpack with your child as we do not have space to store these. Backpacks can be used for PE kit on PE days. Please encourage your child to remove their snack from their book bag ready to put in their drawer, you can help them with this at drop off.

Naming Items

We already have our first few items of lost property without names! We are therefore unable to return them to your child. Please make sure that everything is named. If your child needs to come back into school to pick up a forgotten item, they will need to wait until the end so we can safely show out all of the children. Thank you for your support with this.

Tapestry

We have now received most permission slips from parents. Over the next few days you will be emailed a link. This has not been sent yet. Please keep an eye out for it, it may go into your junk emails. This will be where you can view observations of your child's learning and contribute your own. We love to see what the children have been doing at home so please try and upload one observation per week.

You can view our most recent letters and any communications on the website. If you have any queries in the meantime, please contact either myself or the school office.

Thank you again for all of your support,

Yours Sincerely,

Mrs Laura Button
