

THE YEAR 6 LEARNING JOURNEY PRESENTS...

Talk the Talk!

Each year in year six, we launch a task that is based entirely on your ability to speak!

Talk the Talk is a two minute talk based on a subject entirely of your choice.

We are, therefore, asking you to research, write and prepare a two minute talk that you will perform to all of year six on Monday 12th October 2026. We fully appreciate that this will feel both scary and terrifying, but it is a compulsory task that benefits you hugely.

Because this is a speaking task, we encourage you to learn your talk off by heart. We will allow cue cards as a prompt if you feel that you need these. We must just emphasise that this is a speaking task, not a reading task.

We are so excited to hear all of your talks.

You already make us so proud. We cannot wait to hear you perform your 'Talk the Talk'.
