Dear parents/carers,

As we come to the end of our Assessment Week we wanted to email to share how unbelievably proud we are of the children. Completing tests, that are ordinarily done at the end of year six, can be extremely daunting as a lot of the content is yet to be fully embedded. You children have exceeded all of our expectations with their incredible attitudes and effort.

As teachers, we are not expecting outstanding results at this stage, instead we are looking at the gaps and areas that need further consolidation and teaching over the year. The results are certainly not something that we want you to worry about and do not reflect your child's current ability.

Some of the children have asked for a copy of their papers to go through at home. We are already blown away by the work ethic and attitude displayed - it is really clear how hard your children work and how much they want to get from this year.

If you wish to obtain a copy of your child's papers, please email or send us a note and we will arrange for these to go home once we have inputted all of the data over the next week.

The answer documents can be found below for you to refer to when looking through each paper.

As always, thank you for your ongoing support. If you wish to discuss anything further, please do not hesitate to contact us.

Kind regards,

The Year Six Team
