Helping everyone find their voice*

12th October 2026

Dear Parents and Guardians,

Pop Stars Club - sing, dance, perform and shine like a star!

Pop Stars Club is a fun and confidence-building after-school music club taking place at KMPS for children in **Years 2, 3 and 4**, where children can sing, dance, move and express themselves through music. It is run by Lesia Smaditch of the Musical Village Community Interest Company.

Each week, children learn well-known songs, enjoy movement activities, take turns in the Pop Star Spotlight and build confidence in a supportive and encouraging environment. The focus is on participation, enjoyment and self-expression, helping children to develop confidence while having lots of fun.

Children do not need to be strong singers to join. Everyone can take part in their own way. Some children enjoy singing, some prefer movement and dance, and others enjoy using percussion instruments. The club is fully inclusive and suitable for all abilities.

What children can look forward to each week:

Warm-up games to get everyone moving

Learning a popular song with simple actions

Movement and dance activities

Taking turns in the Pop Star Spotlight

Working together as a group

Building confidence and self-expression through music

The Pop Stars Club will run after half term on **Thursdays from 3:10pm to 4:00pm for a block of 8 weeks. The first session will be on Thursday 29th October. The last session of this block will be Thursday 17th December.**

The cost for the block is **£40 (£5 per session)**. Places are limited and will be offered on a first come, first served basis.

To register your child, please email info@musicalvillage.co.uk with the following details:
