Dear Parent/Carer of choir member

At the end of last year, following discussions with the choir, we purchased special choir lanyards that they could wear at events over their clothes to show they are in the choir (we will distribute new ones this year to ensure everyone has these). We also discussed having pin badges that could go on them.

I am delighted to announce that we have had a custom badge designed for this year's choir members. The idea will be that we will have a new badge created each year and choir members can buy these to collect as mementos, to add to their lanyards if they choose. Additionally, there is the option to buy a Young Voices 2027 pin through us if you would like to (cheaper than buying directly yourself). Details are below and these badges will be available to purchase in the MCAS online store.

School Choir Badge 2026-27 **£3.50**

Young Voices Badge **£3.65**
(3.99 + shipping on YV website)

Yours Faithfully

Elliot Howles – Headteacher
