MEE

MISS  
CROWSON

MRS  
AMARAL

MRS  
HARRIS

MRS  
CARVELL

- In Year 1, we believe that it is important to have a smooth transition between the Foundation Stage and the Year 1 curriculum.
- In KS1, children learn successfully through play. We offer a range of opportunities for children to engage in learning in this way as well as gradually introducing a more formal structure.
- A typical day involves a literacy, phonics and maths input with follow on activities. Art, science, ICT, history, geography, DT, PHSE and RE are all visited during the afternoons in our various Learning Journeys.

# Play centred learning

- This year, we introduced a new literacy curriculum called Ready Steady Write.
- Each half term will focus on one book.
- Learning will go through 4 stages - immerse, analyse, plan and write.

# Literacy

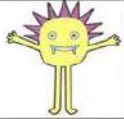

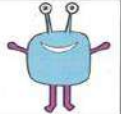

**Ready Steady  
Write**

# Phonics

- Phonics is the main strategy used in schools to teach reading. We use the Read Write Inc, which is a highly systematic and successful programme of study.
- In June 2023, all year 1 children are expected to take a phonics' screening which involves children reading a series of 40 real and alien words.
- The pass rate in 2022 was 32 out of 40.
- We'll be holding a Phonics Evening for parents on Wednesday 20th September at 6pm.

## Examples of words

Section 2	Section 2
bluns 	quigh 
skarld 	herks 
splot 	jorb 
strabe 	zale 

# Autumn term

What will we be learning about this year?

# Spring term

What will we be learning about this year?

# Summer term

What will we be learning about this year?

## **PE**

1H will have PE on a Tuesday morning.

1J will have PE on Wednesday morning

Children need to come to school in their P.E clothing and footwear.

They will need a warm zip up for colder weather.

## **Swimming**

Swimming is on a Thursday Afternoon

Children should bring swimming kit in a named bag.

If your child uses goggles, please ask for a permission letter from the office.

## **Hot and Cold**

We go outside most days so please make sure your child comes into school with a coat each day.

When it's hot a hat and water bottle are crucial.

## **Break & Snacks**

Unlike Reception, we have a break from 10.15-30am everyday. Free fruit is provided and children can also bring their own snacks from home - healthy ones please!

# Routines

# Reading at Home

- Extensive research has shown that reading at home with their child is the single most important thing parents can do to improve educational achievement.
- Our home reading books are closely matched to the phonics sounds and books your child is learning each week in school.
- It is recommended that children read each book 3-5 times. This helps them progress from focussing on decoding to focussing on comprehension.
- Remember: PRACTICE MAKES PERMANENT! 😊
- We'd really like it if you could send us a short video (30-60 seconds) of your child reading to someone at home. It doesn't need to be the whole book, just a few pages and we'll award 10 house points for every video we receive!
- Books will be changed every Friday, please remember to bring them in.

## Picking up at home time

Please let your class teacher know, either in person or via an email or note, if there is a change in your usual pick up routine.

If you are going to be late, please contact the office so we can reassure the children.

# Routines

At Kirby Muxloe Primary School, we not only recognise children's academic achievement, we celebrate the whole child. Developing happy, confident children with a strong sense of self and mind is the key to learning success.

By understanding, developing and using the character traits that make us unique, allows us to be the best version of ourselves.

THE 'CHARACTER TRAITS' THAT KMPS WILL BE FOCUSING ON.

Mr. Nosey is curious

I like to ask questions.

Mr. Happy is enthusiastic

I am keen and ready to learn.

Mr Brave is confident

I'm not afraid to have go.

Mr. Cool has self-belief

I can achieve my goals.

Mr. Adventure will take risks

I face difficult challenges.

Mr. Small is independent

I might be small but I can do it.

Mr. Impossible is a problem solver

I use strategies to solve.

Mr. Chatterbox likes to co-operate

I work well with others.

Mr. Bounce perseveres

I never give up and always bounce back.

Mr Quiet is a good listener

I listen to & respect others.

Mr Tickle is learning self-control

I can make good choices.

Mr Cheerful is optimistic

I always look at the bright side.

# Route to Resilience

THANK YOU FOR  
WATCHING 😊
