MUSIC ROOM - AT HOME CHOIR PRACTICE

Dear Parent / Carer,

A few weeks ago, I sent out details on how to access the Young Voices Music Room which is an online practice facility to enable choir children to practise the songs at home. This is available to ALL choir children including those not doing Young Voices (as these songs are currently the focus of our rehearsals). Some children have told me that they have not yet managed to access it so I am sending the details again below.

For your child to access the Music Room, please click on the link below.

<https://yvmusicroom.com/parentRegisterReferral?code=OTY1LzE2OTY0OTg3NTU%3D>

You will then need to register your details as a parent. Once you have completed your registration, it will then ask you to add your child's name. Your child will then be able to access the Music Room.

Given the amount of songs the children need to learn, we strongly encourage as much practice at home as possible.

Please contact us if you encounter any problems with it.

Kind regards
Libby Newbury
Music Lead
