

12th January 2024

Hello all,

We have started our new learning journey 'Help is at Hand' and will be looking at real life superheroes, in particular, emergency service workers.

If you are an emergency service worker and could spare 10 minutes to come and chat to the children about what you do day to day, we would love to hear from you.

Please could you contact us via the school office with days and times the week commencing 29.1.24 when you would be able to pop in and see us.

Thank you in advance,

The Reception Team

Mrs Laura Button  
Foundation Stage Leader
