

Monday 26th February 2024

Dear Parents and Carers,

## **Bikeability Training Year 5**

We are pleased to inform you that we have arranged for the Year 5 pupils to take part in Bikeability cycle training from the 29th April 2024. There is no cost for this course.

Level 1 training and bike checks will take place in school on Monday 29th April. Those who successfully complete Level 1 will continue to Level 2 which is on-road training. The training will continue with one session every day for the next four days - except 6th May which is a Bank Holiday. Each session is taught in groups of 12 and lasts an hour and a half. All participants will be rewarded with a certificate to celebrate their efforts during the week. The date of your child's training week (Week 1 or Week 2) will be confirmed once we have received confirmation of groupings from the Bikeability team.

Pupils must be able to ride a bike, wear a suitably fitted cycle helmet and possess a roadworthy bike (correct size, brakes and tyres). Please see 'Check Bikes' information in an additional letter from the Bikeability scheme. A bike lock is required to secure the bike while it is on school property. **Under no circumstances are bikes to be left at the school overnight.**

Please complete this google form <https://forms.gle/hZawxoYJQxM89npS9> if you wish your child to participate by **Wednesday 20th March** at the latest.

Kind regards

The Year 5 Team.
