WELCOME TO M&S YOUR SCHOOL UNIFORM

We are proud to be working with your school.

M&S Your School Uniform provides parents with the products selected by your school and embroidered with your school's crest. We also supply plain, non-embroidered products when your school's particular uniform colour is not available in the main M&S Schoolwear range.

Due to its personalised nature, we operate separately from the main M&S Schoolwear ordering service and therefore the Your School Uniform service is direct delivery only. Please note therefore, we do not operate via M&S stores.

We offer both standard and express delivery to UK addresses. Standard delivery is £2.50 and Express £4.95. All orders of £35 and above receive free standard delivery and all returns are free, using the returns envelope provided*

SUPPORTING YOU AND YOUR SCHOOL

We will provide you with:

- A dedicated website containing pages specific to your school
- A dedicated phone number enabling you to shop over the phone or answer any questions you may have
- Innovative garments and products that can be put through their paces yet stay smart

What's more, your school will receive 10% cash back for all sales made via our service which can be spent in any way they choose. So, perhaps those jumpers really will turn into goalposts!
