Aim Statement

Kirby Muxloe Primary Academy is committed to securing a positive partnership between home and school.

As a School we will:

- Provide a broad, balanced and challenging programme of learning for every child in our school through the full implementation of the National Curriculum and our own policies and schemes of work.
- Ensure that there is progression, continuity and cohesion in our work throughout the school.
- Provide a working environment in which children have the opportunity to become independent learners and to co-operate effectively as part of a group.
- Develop a partnership with parents to enable and encourage them to take an active part in their child's learning.
- Help our children to build resilience and develop a positive attitude towards success and failure.
- Develop a caring and tolerant attitude to others in society and a balanced understanding of British Values.
- Provide the widest possible variety and quality of learning resources.
- Strongly encourage high standards of behaviour and politeness.
- Encourage respect for the property of others and pride in the school environment.
- Ensure that the management of the school is efficient, effective and far-sighted.
- Provide high quality staffing in all areas including learning support assistants, administrative, premises and other support staff, teachers, co-ordinators, senior management and governors.

As a parent/carer I will:

- Support my child by taking an active interest in their progress and development.
- Ensure my child attends school regularly and punctually.
- Let the school know about any concerns or problems that might affect our child's work or behaviour
- Encourage my child to be well behaved and support the schools policies and guidelines for behaviour
- Attend parents'/carer evenings and discussions about or child's progress
- Support my child to ensure homework is completed
- Avoid taking time out of school and family holidays during term time
- Supply the school with full and accurate personal information about my child in order to enable records to be kept up-date
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.
- Not make reference to the school on social networking sites or share pictures of staff or other children.

As a child I will:

- Be respectful by doing as I am asked by all adults involved in my learning and looking after my school and environment.
- Be thoughtful and caring towards others
- Be independent by taking responsibility for my own belongings and homework, making sure I have what I need for my school day.

Together we will:

- Inspire excellence in every child.
