

Thursday 30<sup>th</sup> January 2025

Dear Parents,

## **Yr 4 Hyett Education Coding Workshop (in school)**

We have organised for Hyett Education to come into school on Friday 14<sup>th</sup> March 2025 and deliver a coding workshop to help consolidate our learning about coding programmes.

The children will be given the chance to build and adapt a variety of robots. They will be taught how to use inputs and outputs to make their robot move and react to various stimuli, such as colours using a colour sensor. Our workshop leader will draw in the children with their incredible use of key language, which the children should know from our computing lessons.

The cost of the workshop is £10.50 per child payable by Friday 28<sup>th</sup> February 2025 via the online payment system.

We do rely on parents making the voluntary contribution to the activity and unfortunately, it cannot take place if we receive insufficient funds by the set deadline. If you are experiencing financial difficulties, please contact the school office.

Kind Regards

Year 4 Team
