KMPS Values & Vision 2025

Dear Parents and Carers,

You may remember that I wrote to you in February regarding the renewal of our school values. Following our survey of parents/carers, staff and KS2 children, we have been spending time reflecting on the outcomes of the surveys and creating a new vision and linked values that we will fully launch in the new school year.

The survey was very interesting and the top value for everyone was 'Kindness', with 'Respect', 'Resilience' and 'Fairness' all being highly valued by different groups. These outcomes have formed the basis for our new values, the qualities that will underpin them, and the vision statement and school motto that reflect them.

Our new vision for KMPS:

"Life in modern Britain is vibrant and exciting with many challenges and opportunities. It is vital that a child's first school equips them with both a love of learning and a strong moral compass.

At Kirby Muxloe Primary School, we aim to provide a safe, inclusive, welcoming and inspiring environment for learning and personal growth. We want every child to maximise their potential in all aspects of school life and to build kind instincts that enable them to make a positive difference to their community."

Our new school values and linked qualities:

Kindness through: Words and Actions, Gratitude, Empathy and Helpfulness

Integrity by being: Honest, Fair, Trustworthy and Ethical

Respect by: Listening, Being Courteous, Showing Humility and Following the Rules

Resilience by being: Courageous, Optimistic, Patient and Self Confident

Aspiration by being: Dedicated, Independent, Organised and Problem Solvers

Reflectiveness by being: Curious, Adaptable, Creative and Analytical

Our new school motto:

'Good people, great learners'

Our new motto will replace our current one (Inspiring Excellence in Everyone) from the start of the new school year. It summarises the personal and learning values that are set out above.

I look forward to sharing more on how we will be using our new values next year in the future and thank you for your contribution towards them.

Yours faithfully

Elliot Howles – Headteacher
